## **ABOUT THE RONALD MCDONALD HOUSE CHARITIES**

Ronald McDonald House Charities (RMHC) Columbia, SC is a non-profit 501(c) 3 organization in Columbia, South Carolina, with a volunteer board of directors and professional staff serving families and children who travel to a medical facility in Columbia, so their child can receive the medical care they need. We are supported by a caring community of volunteers and generous contributors and sponsors.

RMHC Columbia, SC creates, finds, and supports programs that directly improve the health and well-being of children and their families through two cornerstone programs: Ronald McDonald House and Ronald McDonald Family Room. Both are designed to keep families close during hospitalizations.

Research shows that a family's presence in the hospital helps children heal faster. The programs are unique in that they allow families to spend additional time with their sick child, help ease financial burdens, provide a sense of normalcy to families and keep families together during times of medical crisis.
